Making History Book Christopher Culpin Pdf 115 Restaurant Owner Goes Off On White Guy Who Called Her “Fucking Nigger” Douglas Leigh is saying his hellos to a customer who just walked in to his restaurant, the Catch of the Day. He usually enjoys having white customers in his restaurant, but on this night, one customer didn’t seem to get the fact that he has Black business partners. When the customer saw the “nigger” nameplate on the menu of the restaurant, the customer told Leigh that he felt “threatened” and “disrespected.” However, that wasn’t the best thing that Leigh heard when he responded to the comment. Leigh told the customer that if he felt like black people were “unfairly treated in this country,” he should “go play for the NFL.” He said this because the NFL is mainly made up of black athletes, but he added that he didn’t care who he offended. That customer decided to head to Twitter to let others know what had happened to him that night. He said that he is a big rugby fan and that the “Catch of the Day” is a “fantastic restaurant” that he goes to on a regular basis. He said he doesn’t want to come back to his favorite place. Leigh’s business partner told NewsOne that this is the first time something like this has ever happened in the 4 years they’ve been together. However, they fully support one another. His partner said that she knew that if a customer felt “threatened,” they’re going to “react.” This isn’t the first time that a restaurant has received criticism for how they handled a customer. In the past,
