"This is a game that can be enjoyed by both beginners and veterans. So we'll be giving it a rating of 10. Yes. I agree with the rating. I think it's easy to play, the graphics are great, and the music and sound effects are exceptional. The only downside is that it isn't much fun. Having said that, it's still a great game to play in preparation for future games." "If you're a hardcore RPG fan or a casual gamer who just likes a good story, this is your kind of game. It isn't exactly fun or challenging in the traditional sense, but if you find comfort in taking part in the virtual world of an online RPG, you'll likely enjoy this game." - **9,0** "At the beginning you'll be fully equipped with everything you need to beat this battle, but we'd recommend that you watch the tutorials. It's just a great game." - **10** "The storyline is a bit long. You'll start out by being fully prepared, but the tutorial is great." - **bff6bb2d33**

Torchlight : I hardly expected to enjoy this game, seeing as how my taste leans towards preferring the more straightforward, Diablo-esque works of Baldur's Gate and Torchlight 2. This is a free-to-play title, however, meaning that you are at its mercy if you don't enjoy the gameplay mechanics. Gamepad support was sparse, making it necessary to utilize Microsoft's Wiimote functionality. While my main issue with this particular game was the lack of multiplayer support, playing one-on-one with actual friends is more of a barrier than a benefit. Switching to the keyboard also proved problematic, as it's rather difficult to target a character when you're manually pointing your aim towards the enemies. A combination of the two is generally necessary for most boss fights. Controls, however, were quite easy to grasp after a while

tight end Jimmy Graham has found a home. New Orleans received a boatload of good news earlier in the week when star running back Mark Ingram returned to the field. The quarterback still is not set, with Sean Canfield starting the first game of the season while Taysom Hill will backup Will Glazer for the second consecutive year. Glazer, the sixth pick in the 2008 draft, looked very shaky in his debut. Somewhere, the question nags about "What If?" West Virginia quarterback Geno Smith was anointed after the death of Tyrod Taylor last season, a glimpse into his future. Smith did play two impressive games last year, but is not perfect. That has not prevented rookie Trace McSorley, the two-time national champion, from being thought of as the future of the conference. He lit the room up with a total of 200 passing yards and two touchdowns during a 20-13 victory over Northern Illinois last Saturday. "I am practicing like I am going to play," McSorley said. "I enjoy the competition. I enjoy being able to battle for a spot to get on the field. And then the second game, I like the help that I get from the veterans like Tom Savage and Tony Pike." It might not be long before McSorley joins the Steelers' vaunted traveling damage-control crew. Rather than lose one of the best young quarterbacks in the country when Anthony Gonzalez went down with a season-ending shoulder injury against Northwestern, Kirk Herbstreit received a pleasant surprise when McSorley stepped on the field. "Sometimes, you get a great opportunity for your guy," Herbstreit said. "You don't want to mess up." McSorley is the most impressive quarterback to
