I wanted to see how the db.templatestats.stats database have been used since the new stats were created. As you can see, this database has been used almost 10 times. This database has made queries to the db.templatestats, db.templatestats.counts, db.templatestats.searchstats and db.templatestats.userstats databases.We will be meeting tomorrow at 10:00am at the following location and conference rooms to discuss some of the concerns and issues which we have been experiencing with the New Albany Plant. We have reserved a room at the Intercontinental Hotel for the meeting. There will be food and drinks at the meeting. The location of the meeting will be: Rm 1000 Intercontinental Hotel 11150 Harrisburg Rd N Blue Ash, OH 45242 The participants who will be attending are: Bev Hansen Allen W Ueckert Pat Hanse V.J. Black Dan Thompson Bill Balara All participants will have 7-10 days to attend this meeting. Below is a list of concerns which we have been experiencing with the New Albany Plant: Operations on the New Albany Plant will be "Walk Through" tomorrow evening at approximately 5:00pm. This will give us an opportunity to discuss and address any of the open issues that have been identified. I hope to see you there tomorrow evening.
